

2027 APPLICATION FOR MISSION-PARTNER STATUS & FUNDING

Brunswick Church, Troy, New York

Our church is committed to tithing the first 10% of our annual giving to our Missions Partners. We will do all that we can to honor our pledges to our Missions Partners, as God provides for us.

Please send your application to the Missions Team by November 15, 2026, for grants that begin in 2027. We plan to let you know your status and grant amount after our Missions Team meeting in January. Grants last for three years and are paid out each year.

You may complete the Mission-Partner Status and Funding application online found on the [Missions page](#) of the Brunswick Church website or by filling out this form in PDF and emailing it to Missions@BrunswickChurch.org. If you cannot send your application digitally, please tell us if you plan to mail it so we can watch for your envelope.

If you publish an Annual Report, please attach the latest version. You can also include any extra information that might help us understand your work. If you have questions, just email us. Thank you!
