*Giving hope to the vulnerable*

### **Refuge Place, Inc. Partnership**

[Refuge Place, Inc.](#) has become a beacon of hope in the downtown Troy community, addressing food insecurity through its biweekly *Let's Feed Troy* meal program. These gatherings provide **healthy, nourishing meals** to neighbors, especially those who are economically disadvantaged and in greatest need.

Brunswick Church began partnering with Refuge Place in 2025 and is pleased to support this growing program.

**When:**

12:00 pm every other Saturday

**Where:**

**May through October:**

174 Earl St, Troy (basketball courts, weather permitting)

**November through April:**

2328 5th Ave, Troy

**Meals Served (as of April 2026):**

- Warmer months: 130 to 200 meals
- Colder months: 45 to 70 meals

As Scripture reminds us, we are called to serve “the least of these” as part of God’s work. Brunswick Church supports Refuge Place, Inc through prayer, financial gifts, and ongoing encouragement as they continue to meet the needs of our community, one meal at a time.
